SOCIETY OF TRIBOLOGISTS & LUBRICATION ENGINEERS

Walter D. Hodson Jr. Award

Walter D. Hodson Award

This Award honors one of STLE’s founding fathers. It is given to the lead author of the best paper written by an STLE Member 35 years of age or younger published by the Society in the prior year. The purpose of the award is to stimulate the interest of young engineers in the science of tribology and lubrication and the activities of the STLE.
