2013 Nominations Now Being Accepted

THE VIC JOLL AWARD
For STLE Section Member of the Year

The Vic Joll Award recognizes outstanding and selfless contributions by a member of an STLE section. It is given to an STLE section member who has worked tirelessly and continuously for the benefit of the section, devoting numerous hours in the performance of many tasks necessary to promote and advance the mission of the section and of STLE. The award is named in honor of the late Vic Joll, 1978-79 President of the Society, who was a champion of local sections.

The award consists of:

- An engraved plaque
- An invitation to the recipient and a partner, as guests of the Society, to the Society’s Annual Meeting to receive the award.
- Complimentary full Annual Meeting registration for the recipient and a guest
- A travel voucher for up to $1,500.
- Recipient will be notified approximately 60 days prior to the STLE 2007 Annual Meeting

Each section chairman may nominate one candidate for the Vic Joll Award by submitting a completed application form, accompanied by a one-page letter of recommendation, to STLE headquarters. The letter of recommendation must be signed by the Section Chairman and endorsed by two other elected members of the Section leadership.

The nominee must have been a member of STLE for at least 15 years and have given at least 10 years of continuous service to the Section. Please note that participation in Society-wide activities is not one of the criteria for this award. The award recognizes those who have made significant contributions at the Section level. A Section may nominate only one person for the Joll Award in any one year. Individuals cannot receive the award more than one time. **Nominees who are not selected to receive the award in any given year may be renominated in subsequent years.**

The recipient is selected based on information provided in the nomination form and letter. Nominators are cautioned not to publicize the name of the nominee, except as necessary to secure information supporting the nomination. Premature publicity may embarrass both the nominee and the nominators.
