P.M. Ku Award (Established in 1978)

The P.M. Ku Award was established to recognize outstanding and selfless achievements for the Society. It is given to the STLE member who typified the late P.M. Ku, who worked tirelessly in the background for the benefit of the Society, devoting numerous hours in the performance of many thankless tasks necessary to promote and advance the cause of STLE.

The recipient of the P.M. Ku Award is selected by the Executive Committee. This selection is not under the jurisdiction of the Awards Committee. This prestigious award need not be given on an annual basis. It will be presented only when the STLE Executive Committee believes it has been justly earned. To qualify for this honor, the recipient must have been a member of the Society for at least 15 consecutive years and must have performed extensive active, dedicated service for the Society. The award shall consist of a medal and shall be presented at the STLE Annual Meeting.

Criteria:
