STLE is the premier technical society serving the needs of more than 10,000 individuals and 150 companies and organizations that comprise the tribology and lubrication engineering business sector.

The Oklahoma Section of STLE is comprised of professionals with various backgrounds and experiences including petroleum and petrochemical companies that are based in Oklahoma, Kansas and Arkansas. Our Section began in 2004 with 33 members and it continues to grow even during the difficult economic times. In 2012 we have 44 active members.
