

Society of Tribologists and Lubrication Engineers
72nd STLE Annual Meeting and Exhibition

Hyatt Regency Hotel
Atlanta, Georgia (USA)

The **Ceramics and Composites Technical Session** is pleased to announce the Call for papers for the 72nd STLE Annual Meeting & Exhibition that will be held on May 21-25, 2017 in Atlanta, Georgia, USA.

The technical session focuses on tribology of ceramics and composites from theoretical, numerical and experimental aspects with emphasis on:

- Smart materials (e.g. sensors for harsh conditions, adaptive composites)
- Advanced manufacturing (e.g. additive manufacturing)
- Traditional manufacturing (e.g. machining, metal forming)
- Downhole drilling

These topics are not exclusive and papers in other area of focus are welcome.

Please submit your 100-150 word abstract through <https://stle2017.abstractcentral.com/> before **Saturday October 1st, 2016**

Please feel free to extend this invitation to your colleagues and industry peers. We are looking forward to welcome you to the Ceramics and Composites Technical session in Atlanta.

Sincerely,
