CALL FOR PAPERS AND PRESENTATIONS

Dear Friends and Colleagues,

The *Wear-Biotribology* technical committee would like to invite you to submit an abstract to present in a Biotribology session to be held at the 72nd Annual STLE Meeting to be held May 21-25, 2017 in Atlanta, Georgia (USA).

The session focuses on tribology of biological systems, biomimicking systems, and interfaces in the natural world. The submissions may be experimental, theoretical, or simulations-based.

Specific topics include, but are not limited to:

- Synthetic and natural joints
- Cardiovascular, ocular, dental/oral, or mobility tribology
- Natural and biological interfaces
- Biomimetic slip systems

Interested authors can submit abstracts through the society's online process. To submit an abstract, please visit the STLE web site, <http://stle2017.abstractcentral.com/>. Remember to select “*Biotribology*” as your topic when submitting an abstract. In addition, if you are early in your career, please consider a follow-on application for an Early Career Award.

Please note the following deadlines:

October 1st, 2016 –abstract submission

March 15th, 2017 – student poster competition abstract submission

Information on the topic areas to be covered at the 2017 Annual Meeting can be found on www.stle.org.

Please pass this information on to those who might be interested in the Biotribology Session at the 2017 STLE Annual Meeting!

For questions on submissions to this session, please contact **Alison Dunn** at acd@illinois.edu.
