

# Biotribology

Call for Papers and Presentations

[stle.org/annualmeeting](http://stle.org/annualmeeting)

Dear Friends and Colleagues,

The Biotribology Technical Committee invites you and your colleagues to submit abstracts for the upcoming Biotribology sessions at the 74<sup>th</sup> Annual STLE Meeting and Exhibition. *The session focuses on the tribology of biological systems and interfaces in the natural world.* Submissions may include experiments, simulation, or theory.

Specific topics include, but are not limited to:

- Synthetic and natural joints
- Cardiovascular, ocular, dental/oral, or mobility tribology
- Natural and biological interfaces, such as plant surfaces or insect interfaces
- Biomimetic slip systems

Submit your abstract here: <https://stle2019.abstractcentral.com> ➔ select “Biotribology” as your topic

Podium abstract deadline: **October 1<sup>st</sup>, 2018**

Poster abstract deadline: **March 15<sup>th</sup>, 2019**

We also have two special **joint sessions!** Please designate your abstract to these sessions if appropriate, and see the calls for these special sessions at the abstract submission site.

- “Biomaterials Tribology” = Materials Tribology + Biotribology
- “Testing in Soft Tribology” = Tribotesting + Biotribology

Best Regards,

Alison C. Dunn, Paper Solicitation Chair
