

Grease Technical Committee

CALL FOR ABSTRACTS

Dear STLE Members,

The Grease Technical Committee is soliciting papers and presentations for the 74th STLE Annual Meeting to be held at Omni Nashville Hotel in Nashville, Tennessee.

We would like to invite you to present your work addressing any aspect of grease use, testing, case studies and research. The following are the other areas of interest on Grease but not limited to:

- Grease lubrication mechanisms
- Grease rheology
- Environmentally friendly greases (not oil)
- Novel and next generation grease for extended service range, energy efficiency, and specialty applications (e.g., space vehicles, electric vehicles)
- Methodologies of grease application to bearings
- Technology for grease manufacturing
- New additive technology
- Grease testing
- Thickener and base oil development

The abstract submission deadline is October 1st, 2018. Please submit a 100-150 word abstract online at <http://stle2019.abstractcentral.com>.

We look forward to seeing you in Nashville!

Please feel free to contact us if you have any questions.

We look forward to receiving your submissions.
