ABSTRACT:

Among increasing challenges in tribology and lubrication, efficiency and sustainability are among the technical focuses of STLE. In this presentation, we will start with an update about STLE's strategic plan including emerging issues and technical focuses. We will then discuss about the needs in properties and performance of fluids used in electric vehicles.

Contact Jill Myers (jill.myers@timken.com) or Nikhil Londhe (nikhil.londhe@timken.com) to confirm your reservations.

The Reservation Deadline is Tuesday, April 23rd at 11 AM.
