

Learn. Earn. Share.

STLE's Digital Badges Are A New Way To Share Your Industry-Recognized Credentials.

HOW DOES IT WORK?

Through Credly's platform, STLE is providing online credentials. Transform your skills, abilities and achievements into badges. These badges are formatted to share across social media and other digital platforms.

WHO WILL NOTICE?

Potential employers can easily spot and be aware of the credentials and specific skills you have to offer.

Clear, industry-recognized credentials can seal the deal for prospective clients and you will earn immediate respect and credibility from customers.

Colleagues will notice your hard work, knowledge and potential with credentials on display.
