Gears and Gear Lubrication
Call for Papers and Presentations

Dear Friends and Colleagues,

The *Gears and Gear Lubrication* Technical Committee is soliciting papers and presentations for the 73rd Annual STLE Meeting and Exhibition to be held May 20–24, 2018 in Minneapolis, MN (USA). We invite you to submit abstracts to the *Gears* sessions for work related to any of the following areas:

- Gear lubrication
- Gear materials and lubricants
- Gear pitting, micro-pitting, and scuffing
- Gear tribological design
- Gear contact simulation
- Gear testing methods
- Failure prediction and diagnostics

Presentations and papers in all gear-related areas are welcomed.

Please submit your abstracts through the STLE website at <https://stle2018.abstractcentral.com/> and select “*Gears*” as your preferred session. Abstracts should be 100-150 words (less than 1000 characters) and are **due October 1, 2017**.

We look forward to seeing you in Minneapolis at the Gears and Gear Lubrication sessions!
