

Seals Technical Committee

CALL FOR PAPERS AND PRESENTATIONS

STLE 73rd Annual Meeting Exhibition

May 20-24, 2018

Minneapolis Convention Center

Minneapolis, Minnesota

The Seals Technical Committee of the Society of Tribologists and Lubrication Engineers (STLE) is soliciting papers and presentations for STLE 73rd Annual Meeting & Exhibition May 20-24, 2018 Minneapolis, Minnesota.

We are looking for papers and presentations in the multidisciplinary area of seals, topics include but are not limited to:

- Seal Design and Lubrication Techniques
- Transient, Steady-State and Dynamic Sealing Performance
- Sealing Surface Topography
- Radial, End Face and Rotary Seals
- Seals in Automotive, Nuclear and Industrial application
- Numerical Models and Simulation
- Seal Failure Mode Effect Analysis
- Low Friction Technologies
- Seals Condition Monitoring

Please prepare and submit your 100-150 word abstracts and use the “Abstract Submission” link on the STLE Annual Meeting website and check “Seals” section.

- **The abstracts submission deadline is October 1st, 2017.**
- **You will have a chance to win a \$500 award for best student presentation.**
- **A special session on Seals Technology Review will be initiated.**

Please feel free to extend this invitation to your colleagues and industry peers. We are looking forward to welcome you to the Seal Technical session in Minneapolis!

For questions on any aspect of the 2018 STLE Annual Meeting & Exhibition, contact Merle Hedland at mhedland@stle.org or call (630) 428-2133

For questions on submissions to the Seals technical session, please contact PSC:
