

Society of Tribologists and Lubrication Engineers 73rd Annual Meeting & Exhibition

Surface Engineering

CALL FOR PAPERS AND PRESENTATIONS

(May 20-24, 2018) at Minneapolis Convention Center, Minneapolis, Minnesota (USA)

Dear Friends and Colleagues,

The *Surface Engineering* technical committee is soliciting papers to be held at the **73rd Annual STLE Meeting (May 20-24, 2018)** in Minneapolis, Minnesota (USA).

The specific areas of interest include but are not limited to:

- Coatings including but not limited to; PVD, DLC, Nano coatings, Electroplating, DC, Pulse, Plasma, Laser treatment, Sputtering (DC, RF), Composite coatings
- Surface Texturing and Roughness Optimization
- Surface Modification Technologies and Process Control
- Near Surface Material Modifications
- Surface/Substrate Characterization
- Quality Control and Non-destructive Surface Examination
- Biomimetics and Bio-inspired Surface

Interested authors can submit abstracts through the society's online process. To submit an abstract, please visit the STLE web site, <https://stle2018.abstractcentral.com/>. Remember to indicate “Surface Engineering Committee” by checking-off the appropriate box when submitting.

Please note the following deadlines:

October 1st, 2017 (Sunday) – short abstract submissions

Information on the topic areas to be covered at the 2018 Annual Meeting can be found on www.stle.org. Click on the STLE 2018 logo in the section of “Upcoming Events”. The processes and topic areas can be found under “Call for Presentations”.

Please pass this information on to those who might be interested in the Surface Engineering Technical Sessions at the 2018 STLE Annual Meeting.

For questions on submissions to the “Surface Engineering Committee”, please contact

Harpal Singh at hsingh@sentientscience.com .

Sincerely,

Harpal Singh
