2019 STLE Tribology Frontiers Conference

And learn about the technical, environmental and social issues that will most impact tribology research in the 21st Century.

For the fifth year STLE is convening an international community to share tribology's most cutting-edge research. Come join us for four information-packed days with tribology's top minds—you'll leave with a better understanding of how your company's products will fit into an ever-evolving technical future.

Visit **www.stle.org** for program updates, online registration and hotel reservations. TFC registration opens following the 74th STLE Annual Meeting & Exhibition, May 19-23, 2019, in Nashville.

See you in Chicago!

- Cutting-edge tribology research
- Networking
- Industry recognition
- Leadership opportunities
- Invited speakers
