

**76th Society of Tribologists and Lubrications Engineers (STLE)
Annual Meeting & Exhibition**

***Seals* – Call for Abstracts!**

Dear Friends and Colleagues,

The **Seals** Technical Committee is soliciting papers and presentations for the 76th Annual STLE Meeting and Exhibition to be held May 15-19, 2022 in Orlando, Florida (USA). We invite you to submit abstracts to the Seals sessions for work related to any of the following areas:

- Seal design and lubrication techniques
- Seals and sealing technologies
- Lubricants and seal compatibility
- Numerical models and simulation
- Transient, steady-state and dynamic performance of seal
- Enhancement on seal surface finish, material, geometry and micro-topography
- Seals in Automotive, Nuclear and Industrial application
- Seal failure mode effect analysis
- Low Friction technologies for Seals
- Seals Condition Monitoring
- Seals cooling and coolants

Presentations and papers in all seal-related areas are welcome.

Please submit your abstracts through the STLE website at <https://stle2022.abstractcentral.com/> and please check the Session that says “**Seals**”. **Abstract submission deadline: October 1, 2021.**

Please forward this call for papers to interested colleagues. We look forward to seeing you in Orlando!

Best regards,

Dr. Jing Yang
