

# 2021 STLE Virtual Annual Meeting & Exhibition

## Nonmember Speaker Registration Form

The STLE 2021 Annual Meeting and Exhibition, A Virtual Event, being held May 17- May 20, includes a full complement of technical sessions, exhibitors, online award presentations, student poster competition and online networking sessions, including breakout Zoom sessions. Also being offered are five education courses that are broken out over a number of days, before and after the general meeting.

No courses will overlap, so for the first time, you can attend the meeting, the trade show and take all the courses if you desire.

**This form is specifically for non-member speakers and presenters.**

STLE members may login to the website and register directly to receive the correct registration rate.

Please confirm the title of your presentation.
