

Welcome to the STLE 365 Mobile App

Use the app to stay connected with STLE all year round as well as to find all the details for the STLE 2018 Annual Meeting & Exhibition. The STLE app is completely free and available for iOS, Android and HTML formats. Download the app today, simply search for **STLE 365** at the iOS App Store, the Google Play Store or use the auto-detect link below.

www.tripbuildermedia.com/apps/stle365

Important: Log in using your STLE ID and password. If you are a STLE non-member or do not have an account please create one to get started.

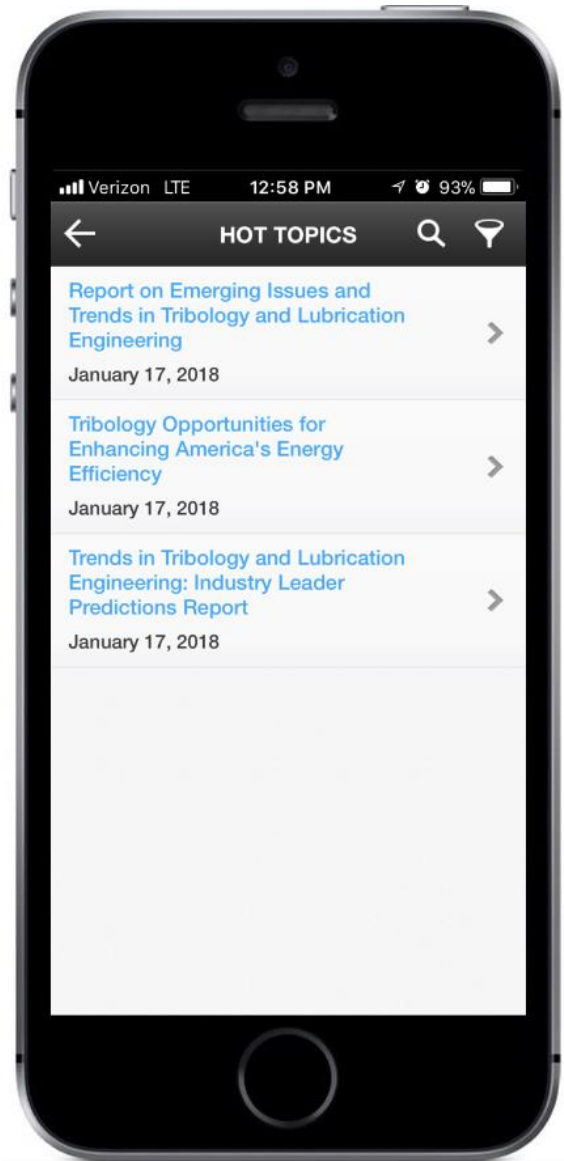

Questions? Contact Bruce Murgueitio at bmurgueitio@stle.org or call at (847) 825-5536

STLE 365 – Home Screen

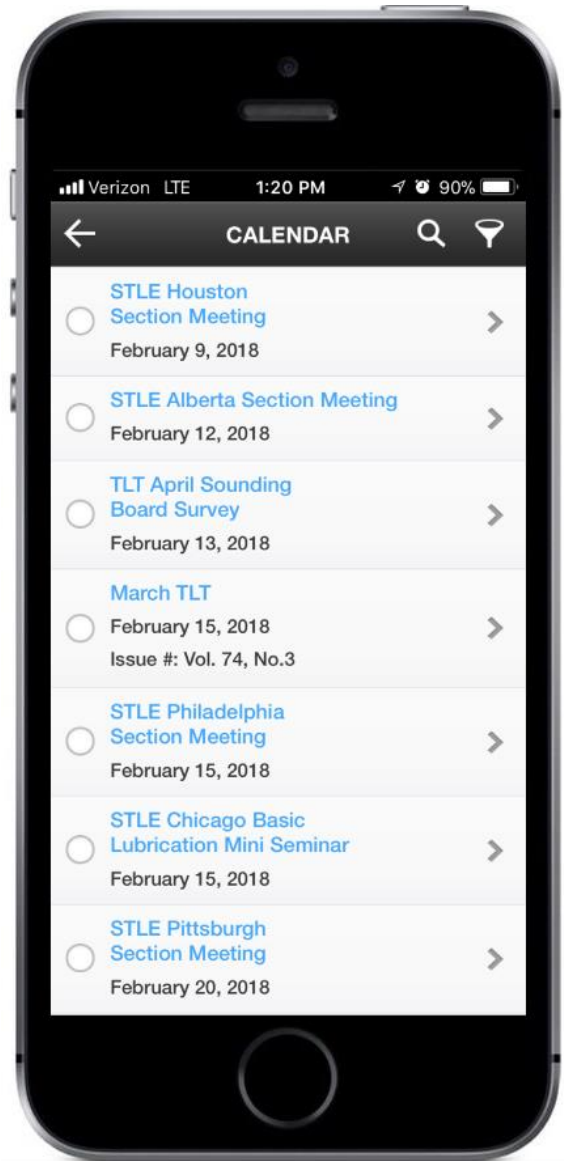

Use the mobile app to:

- Quickly access member only content like the STLE Learning Pathways & online publications including Tribology Transactions, & Tribology Letters.
- Connect with other members through the STLE membership database.
- Gain access to other online resources like the digital TLT or TLT Archives.
- Easily access STLE Event Apps for the Annual Meeting & Tribology Frontiers Conference.
- Browse through the calendar to find details on education, section or industry events taking place throughout the year.
- Stay-up-to-date with Hot Topics circling the industry and the organization.
- Start discussions or provide your opinion on important topics with the in-app activity feed.
- Test your knowledge and win prizes with the STLE Challenge.

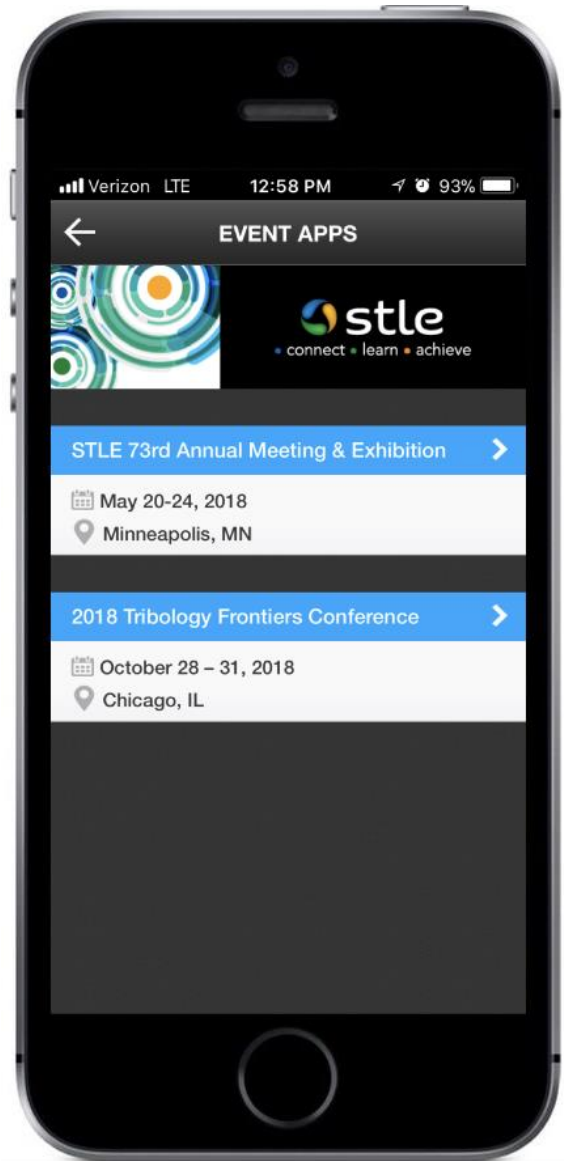

STLE 365 – Hot Topics

Use the Hot Topics feature to find details on some of the most important topics surrounding STLE and the industry. Check back frequently as topics will change throughout the year.

STLE 365 – Calendar

Use the calendar function to stay up-to-date with STLE events going on throughout the year. Find details on Section Events, Education Program (webinar and in-person), Certifications, and Industry Events.

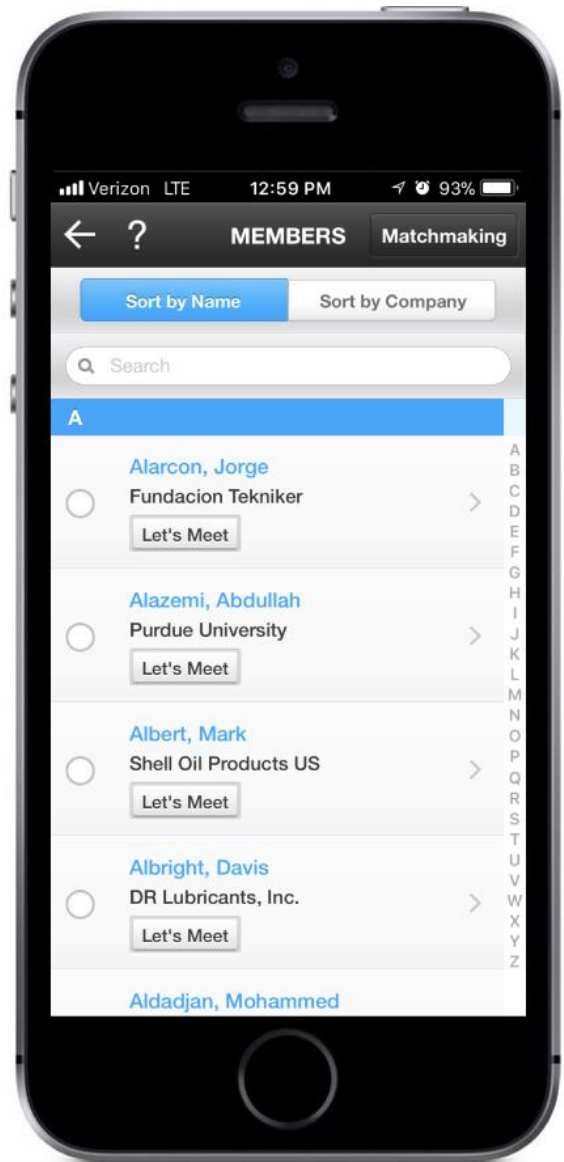

STLE 365 – Events App

Our event apps are built-in to our STLE 365 App. Find all details about the STLE Annual Meeting & Exhibition and the Tribology Frontiers Conference.

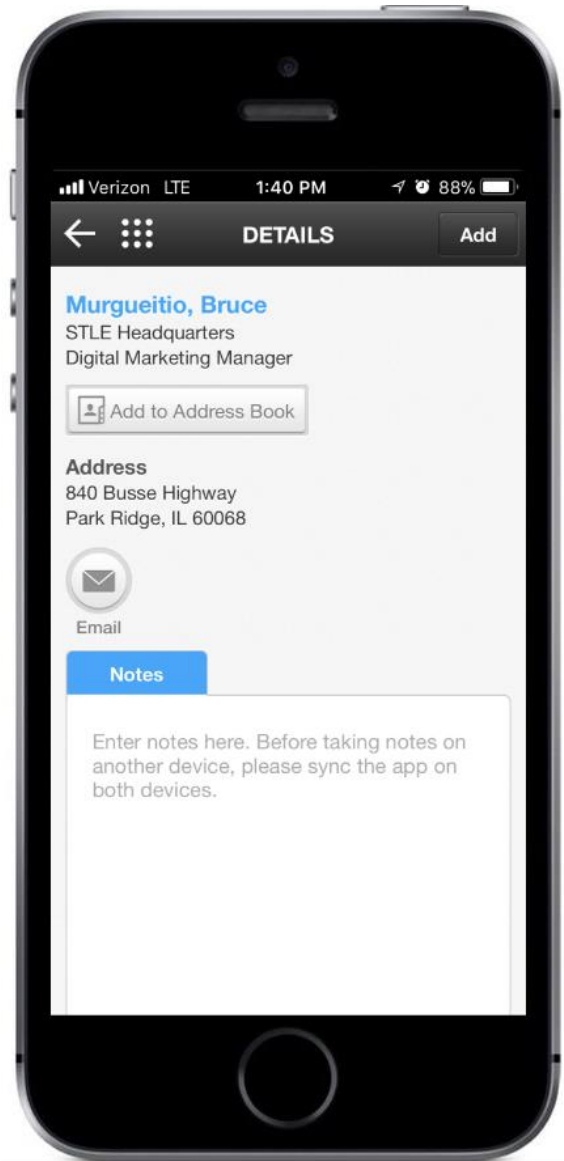

Use the Event App to:

- View the entire technical program. Plan your personal itinerary to the meeting.
- Get speaker information including details of their presentation and contact information.
- Find maps of the Minneapolis Convention Center – location of the 2018 Annual Meeting.
- See who's attending
- Find sponsor details
- See who is exhibiting
- Find information about Minneapolis Minnesota including places to visit, where to eat and even the weather.
- Keep track of your conference leads with the Scan Badge function.

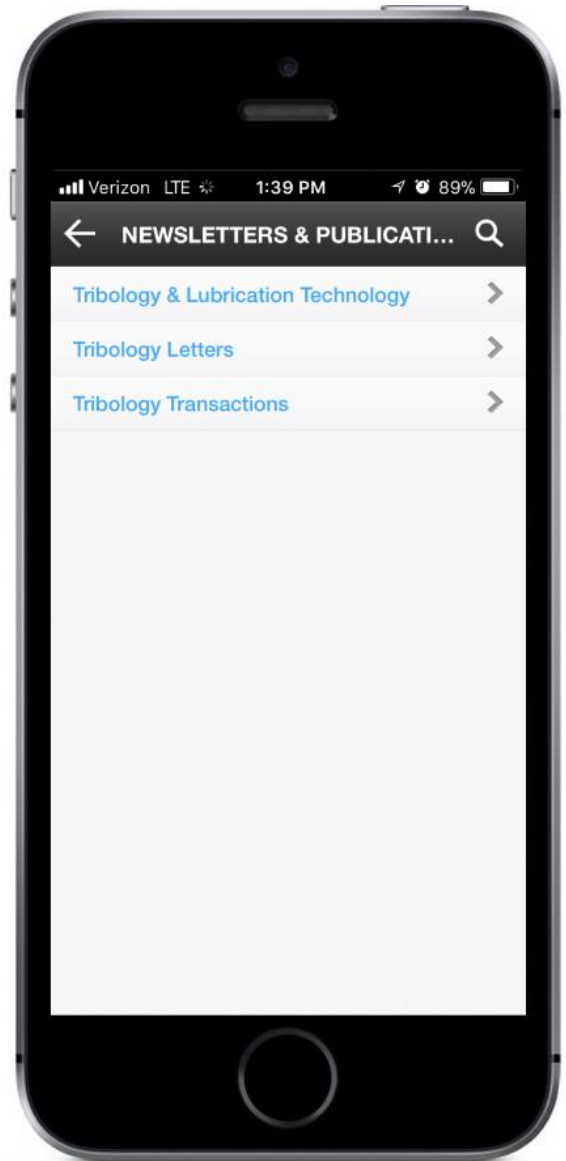

STLE 365 – Members

Gain access to the STLE Membership Database. Quickly connect with other STLE members by emailing them directly from the app. You must be signed in as a member to have access to the STLE Membership Database.

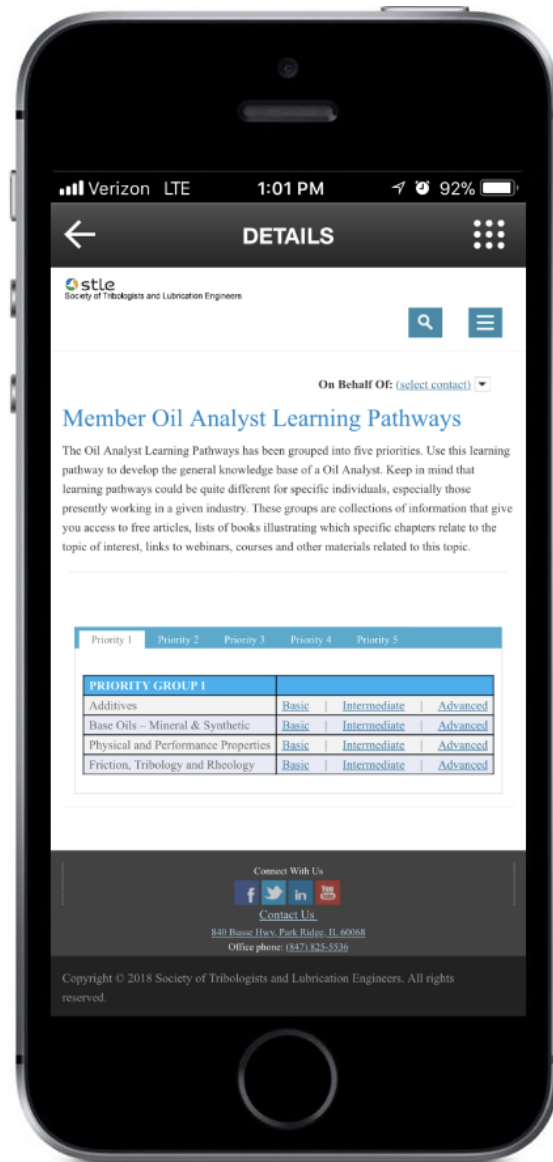

STLE 365 – Directory Member Details

Click on an individual member to access their detailed contact information. Click the email button to easily send a fellow member a message or add them to your contact list/address book for ongoing communication.

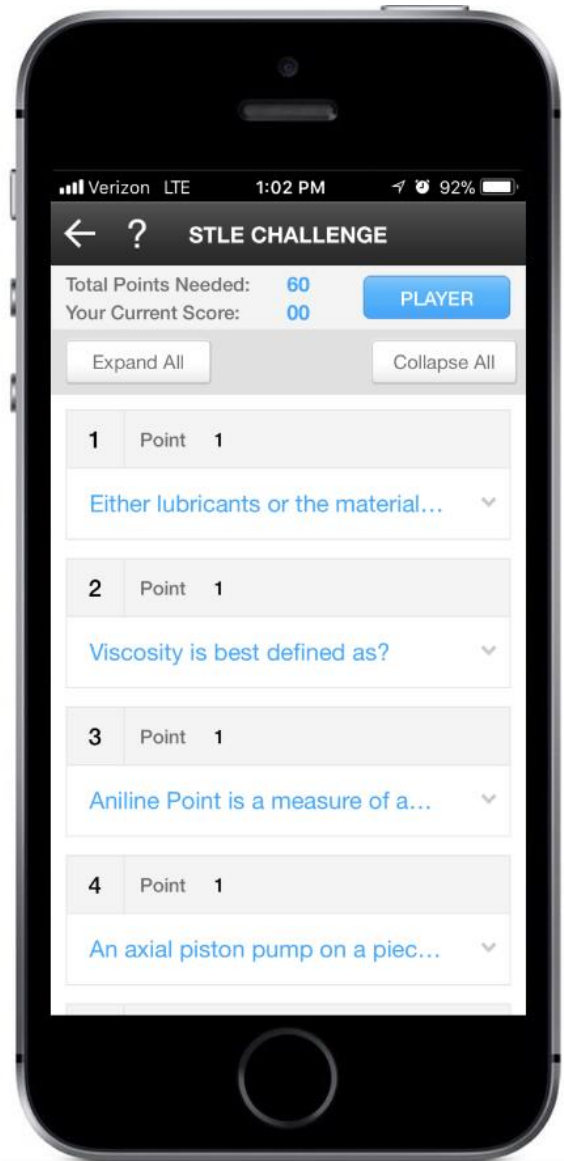

STLE 365 – Newsletter & Publications

Newsletter & Publication provides quick access to STLE publications including Tribology & Lubrication Technology (TLT), as well as member only access to Tribology Letters and Tribology Transactions.

STLE 365 – Learning Pathways

Browse through STLE's online resource, The Learning Pathways, and find quick access to articles, webinars, short courses and CRC book chapters on a variety of topics for both Lubrication Specialist and Oil Analyst pathways.

STLE 365 – Challenge

Test your knowledge and win prizes with the STLE Challenge. Here we will post different tribology and lubrication related questions. Answer correctly to rack up points. The top 3 players at the end of the month will win Amazon gift cards.
